"Capture-The-Flag (CTF) Virtual Training" - wP16

ASEAN-JAPAN CYBERSECURITY CAPACITY BUILDING CENTRE (AJCCBC)

2 July 2025

GENERAL INFORMATION

1. INTRODUCTION

Recognizing the importance of fostering cybersecurity talent among youth in the region, ASEAN-Japan Cybersecurity Capacity Building Centre (AJCCBC) and Japan International Cooperation Agency (JICA) conduct this training as part of our continued commitment to empower the next generation and develop their cybersecurity skills and knowledge.

This training is designed to provide participants with lectures as well as practical experience in cybersecurity through CTF format (Jeopardy). The programme focuses on developing technical skills across cybersecurity key areas.

Participants may take this opportunity to enhance their cybersecurity and CTF knowledge and technical skills before participating in other CTF competitions hosted by AJCCBC where they can be selected to join Team ASEAN for a global-stage CTF competition such as the International Cybersecurity Challenge (ICC) 2025 in Japan.
